## Involuntary Admission Criteria

Good faith reason to believe the child or adolescent is substance abuse impaired and because of the impairment:

- Has lost power of self control over substance use; and either;
- Has inflicted or threatened or attempted to inflict, or unless admitted is likely to inflict, physical harm on self or others, or;
- Is in need of substance abuse services and his/her judgment has been so impaired the person is incapable of appreciating the need for services and of making a rational decision in regard thereto.

## Voluntary Admission Criteria

- Adolescents, 14 – 17, may sign themselves in for a substance abuse evaluation without parental or legal guardian consent.
- Upon evaluation, Parents/Legal Guardians may consent to a voluntary admission for their children to receive substance abuse treatment.

*Upon discharge, referrals will be made as needed to other Lee Mental Health Center services or outside agencies.*

## Signs & Symptoms

- Behavior changes (acting out or withdrawing from activities with family and friends)
- Grade changes
- Restlessness
- Not following rules/laws
- Change of friends
- Lack of personal hygiene
