

Lee Mental Health

The goal of Lee Mental Health's Speakers Bureau is to raise awareness of the agency and services provided to the community.

Some Topics Include:

Why Mental Health Matters

(overview of what we do, state of mental health in Lee County and Florida, funding and legislative issues)

Am I blue?

(explanation of depression, symptoms, treatment, how it affects workplace productivity)

Why is my child different?

(children's mental health issues, services, symptoms, how to get help)

Substance Abuse/Chemical Dependency

(symptoms, services, how to get help)

Bi-polar and Schizophrenia

(clinical issues and advocacy)

Double Trouble

(co-occurring disorders, explanation of types, treatment options, impact on persons and families)

Presentations may be tailored to your interests and target audience.
